

Alina A. Alexeenko alexeenk@purdue.edu

School of Aeronautics & Astronautics, Purdue University – West Lafayette, IN

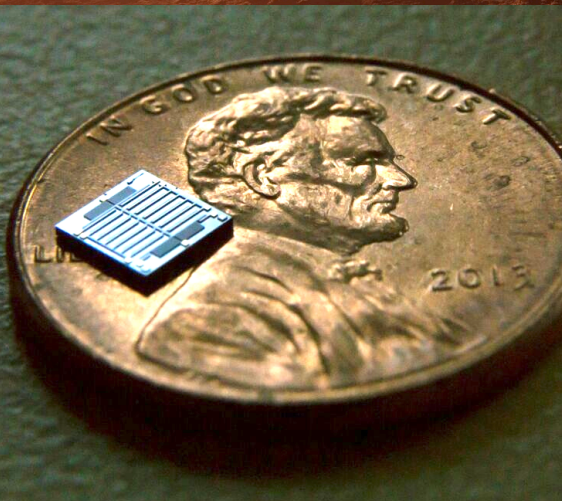

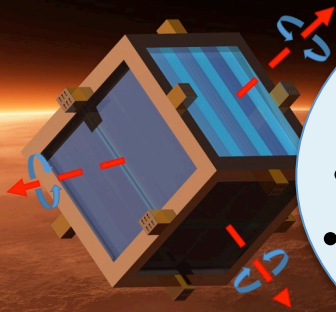

Advanced Lyophilization Technology Consortium <http://www.lyoHUB.org>

Providing compact gas sensing and actuation for SmallSat and vacuum technologies

Rarefied Gas Dynamics:

- Nonequilibrium gas flows and plasmas
- Vacuum Technologies in Manufacturing
 - N/MEMS and Micropropulsion

LyoHUB

Advancing lyophilization for pharma, biotech and food manufacturing via technology roadmapping, computational modeling and process analytics.
